

In May you said:

- The care and support provided by the doctors and the rest of the staff is brilliant.
- Don't change anything. You are doing everything right.
- Nurse blood sample
- I am always being seen very quickly for appointments and staff are extremely helpful. This is the best GP surgery I've had and I'm sad to be moving away.
- Great all round

The Surgery's Response

Thank you for your comments, they are always valuable and help us to continue to improve our service.
